

Academy Graduates Development Regatta 2024

Join us on the Harbour for the sixth annual Academy Graduates Development Regatta in the Club's fleet of Force 24 inshore keelboats.

Saturday 16th November 2024

... if you are ready to try something fun and you're keen to put your newfound sailing skills into practice, come and join us for this great event!

We're delivering this exciting regatta to help our emerging Sailing Academy graduates make the transition from training into racing.

Six crews will be formed from individual registrations and they will be supported by one of our Academy's Mentor Skippers – to encourage crews to swap roles (including helming if interested) during the regatta – providing opportunities to develop skills in all areas.

A Training Morning will be held from 8:30am to 12:30pm to allow newly-formed crews to practise and work on their boat handling & teamwork prior to the regatta in the afternoon from 1:30pm.

A racing rules & race management briefing will be provided as part of the Training Morning to enhance our groups' knowledge of racing prior to hitting the water.

The day is all about learning and development and not about winning, so you can enjoy this new challenge in a supportive environment.
