

Academy Graduates Development Regatta

2024

We are excited to welcome you to join us on the Harbour for the 2024 edition of the NCYC Academy Graduates Development Regatta in the Club's fleet of Force 24 inshore keelboats.

The event will bring together NCYC Sailing Academy sailors from across our range of courses and experiences, and allow you to transition your newfound skills & knowledge into a sailing regatta environment.

The aim is to have fun, learn, support each other and hopefully be inspired to continue your sailing journey.

Five crews have been formed from your individual registrations, and you will be supported by one of our Academy Coaches/Mentor Skippers. During the course of the racing, you will be encouraged to swap roles on the boat, (including helping if you feel comfortable) so that you have the opportunity to develop your skills in all areas.
